The 2013 ABA Yearbook....*Be a part of it...*

Each year, the American Bantam Association sends its members a yearbook filled with show results, informative articles, and club news. We print approximately 3000 of these per year. *These books are treasured additions to collections everywhere.*

If you have advertised with us in the past, a previous version of your ad is attached. If you have never taken an ad with us, we invite you to try. Our rates are listed below. We accept all standard forms of payment including Paypal and credit cards. Ads can be submitted via email to fancybantams@embarqmail.com or call and leave a message at 973-383-4633.

This year we are offering COLOR options. These ads will be placed in a color section. They are available on a limited basis, so please don't delay. If we are unable to accommodate any requests, we will contact you.
